## Under Obamacare, things will only get worse.

Obamacare is in a death spiral. It's not going to get any better; it's getting worse.

- Mark Bertolini, CEO of Aetna

# AMERICAN HEALTH CARE ACT

- → Lower Costs
- → More Choices
- → Patients in Control
- → Universal Access to Care

### We are going to repeal the law and its

-> SPENDING

-> MANDATES

# There will be a stable transition to conservative health care reform.

#### Stable transition:

→ Protect people with pre-existing conditions

→ Keep young adults on their parent's plan

→ Provide universal access to quality, affordable health care

#### Medicaid Per Capita Block Grant

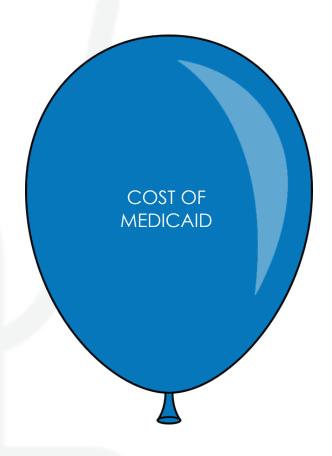

#### Current System:

- → Washington-controlled
- Discourages doctor participation
- → Ballooning costs

#### Our Solution:

→ Medicaid Modernization

- → More efficient spending
- → Safety net for the most vulnerable
- → Greater local control for specific needs

## Protect People with Pre-Existing Conditions

#### Current System:

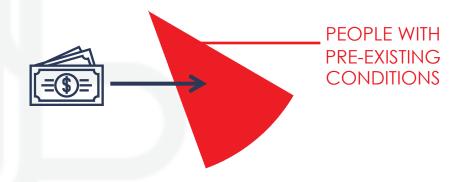

- → Driving up costs
- Driving out health care options

#### Our Solution:

→ Patient and State Stability Fund

- → Protection for the sick
- → Lower premiums

#### **Expanding Health Savings Accounts**

#### Current System:

→ Limits how individuals can spend and save on their health care

#### Our Solution:

→ Enhanced Health Savings Accounts (HSAs)

- → More competition
- → Lower costs

#### **Refundable Tax Credits**

#### Current System:

A Washington-controlled system with skyrocketing premiums and dwindling choices
A Washington-controlled system

#### Our Solution:

→ A portable, monthly tax credit

- → Market-based system
- → Lower costs
- → More competition
- → More choices

#### Allow for More Coverage Options

#### Current System:

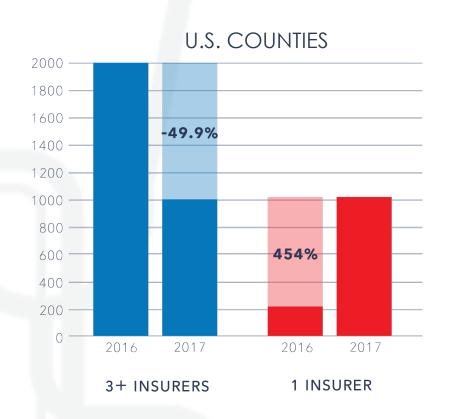

Endless regulations that drive up costs and limit choices for consumers

#### Our Solution:

→ Greater consumer options

#### Result:

→ You can choose the plan that meets your needs
